

Healthcare Consultancy Group

Opportunities in Medical Communications

with University of Pennsylvania

DATE: April 7th, 2022

TIME: 5:00 - 6:30 PM ET

Are you a doctoral student or postdoc interested in a career in science outside of academia or research? Do you enjoy communicating about science in multiple formats and working in a team-based, fast-paced environment on projects that impact healthcare professionals and patients? Please consider attending our **Virtual Information Session on April 7th, 2022** to learn more about opportunities in Medical Communications with Healthcare Consultancy Group (HCG). HCG is a trusted partnership of highly credentialed scientists and professionals, driven by innovation and collaboration to create breakthrough communications for new frontiers in medicine.
